

WK03AS01 - Portfolio

In this assignment, you're to recreate your portfolio from **WK01AS01**. Your project should have the following features:

- Use CSS(no external libraries) to layout your portfolio. Extra marks will be awarded for aesthetics.
- A video(at least 1min) of your experience in the training so far. This video should be uploaded on YouTube and then linked to your page using an ***iframe***.
- A list of the various projects you've done so far. Should have a brief description of the project and a link to the GitHub repository
- Font icons for the various social media links
